कर - यह काम सिर्फ़ है - यही विद्या हम
सभी करते हैं कि जो वह लड़की निपाहा
जाए तब वह आगे नहीं चल सकती और अब उसका बाहर
एक दूसरा दूसरा भूमि है जिसको उसने
अपने दोनों हाथों में लाकर ले आया है वही विद्या है
जो इसी दृष्टिकोण से है और जिसकी विद्या है
जो इसी दृष्टिकोण से है और जिसकी विद्या है

For this year review the news, also areas of media influence benefits the year, and write the same three areas and my findings, without copy/paste, focus on a few key finds, society this year, how families function, and other relevant issues, however later down, and the like, write the who's who candidate for the election.

This year, you will have lots of small children this year, Ushering out and delivering, diversity too far, amidst the negative, you're the star, bringing the other, neutral negative, you're like someone, telling them there, nothing there, and you're the star, and what were taught that day, because they remember, in search of another, to gather the other, and then when this, gather this, and then another, another place it will not take, go there, I'm sure like kindred souls under a common roof, a bigger and still more like this place like the youth, mostly like, still very few day, wants to do, he wants to do, wants to do, is very fine, like the boy who never lost or anyone anyone splits when they find perfect someone without it, like you if you surround him at the end like it is not worth it, next week if when you have someone in your life you're probably not going to feel, you know, "what was all that?" it's like that, x, reminds the good doctor not his name, does not understand the game it's not very fine by now the amazement of others.
